

BOBBY JINDAL
GOVERNOR

Post Office Box 94004
Baton Rouge, LA 70804-9004

OFFICE OF THE GOVERNOR

Dear Preston Joseph Tassin,

In an age when we too often applaud celebrity and fame over hard work and sacrifice, you stand with all our Louisiana veterans as the true heroes of our time.

General George S. Patton famously said that we must, "Live for something rather than die for nothing." Your service to our nation is a personal embodiment of this philosophy. You answered the call of duty, and fought for the freedoms, liberties, and American ideals that we all can so easily take for granted.

Your sacrifices for our country prove that living a purposeful life means living a selfless life, devoted to the service of others over selfish ambitions. We will never be able to truly express the depths of our gratitude for your service, but this Louisiana Veterans Honor Medal is a small way we can say the two important words we can never say enough – thank you.

On behalf of a grateful state, we honor your service in the United States Military.

Very Truly Yours,

Governor Bobby Jindal
State of Louisiana
