

899 TH TANK DESTROYER BN.

Ng Rcn Co

11 June 45

To CIC Detachment Stuttgart, Germany

Pfc May Rothchild has my permission to be absent from this organization to assist you in any way possible and also take care of personal affairs. During our fighting in Germany he has given our Division CIC valuable assistance and has been responsible for the capture of several war criminals. Would appreciate your giving him a pass to use while on this service - Thank you

Alvin J. Lowrey
