

July 24, 1935

Dearest Helen,

I didn't have hardly a thing to do to-day. This morning I got about 45 of the rookies, who just had their second ~~of~~ typhoid shot and couldn't work, out in the shade and talked to them about an hour about leaves, A. W. O. L. s, their pay, the canteen, movies, etc. Then this afternoon I read some in the July Reader's Digest and took a nap. This evening I wrote Mr. Wilmeth to get Ed's address and a letter to the folks.

The dentist doesn't charge for his services because he is a Reserve Officer himself, and he also does a lot of work for the C C C boys. Those are the only reasons I know of.

After you get the license all that is to be done is have the ceremony performed.

We had a big rain this afternoon  
and it is almost cold to-night.

There doesn't seem to be any news  
so will head for the shower and to  
~~the~~ bed.

Lots of love,  
Bob.
